Learn with Sumit

# TO WHOM IT MAY CONCERN

Dear Sir

It is my pleasure to deliver this letter of recommendation for **Towhidur Rahman Abed** for the position of Web Developer at your company. He successfully completed **Think in a Redux way - Batch 2** course conducted online at **Learn with Sumit** platform between **Feb 18, 2023** to **April 08, 2023** and his overall performance was **Great** ! During this course, he learned a lot about Vanilla Redux, Redux Toolkit, Redux Thunk, Reselect Library for state memoization & peformance optimization, RTK Query for Data Fetching, Caching & Revalidation and different Redux patterns with React-Redux integration.

Besides gathering theoretical knowledge about Redux, he also participated in all critical quizzes, assignments & exams during the course period and secured more than **74% marks**. He was also one of the **top** students in the course leaderboard. While learning, he also gathered practical knowledge & experience by creating **3 small scale** and **4 medium scale projects** as part of course assignments.

We found him extremely hard working, serious, dedicated & quick learner, who can be a very good asset for your esteemed organization. We wish him all the success in life.
